ECOO Round 1 QUESTIONS

After March 18, 2012

Problem 4 – Boggled

FIRST TRY

Suggested Marking Scheme

Input file name: DATA41.txt

Award 20 marks for each exactly correct line.

If a line has the text exactly correct and the score is correct but one or more of the numbers in brackets is wrong, award 20 points minus 5 points for each wrong number. If a line has the numbers correct but there is a formatting problem (spacing, punctuation, spelling, etc.) deduct 5 points for each line containing the error.

Award 10 bonus marks if all 5 lines are correct.

```
Your score: 17 (16 good, 5 not found, 1 too short, 1 repeated)
Your score: 33 (20 good, 4 not found, 2 too short, 2 repeated)
Your score: 23 (21 good, 5 not found, 2 too short, 4 repeated)
Your score: 9 (4 good, 1 not found, 0 too short, 0 repeated)
Your score: 24 (4 good, 1 not found, 0 too short, 0 repeated)
```
